

Seed Plus™ 30WS

Protect your crops from seedling diseases & early season insect pests

Seed Plus™ 30WS characteristics:

- **Seed Plus™ 30WS** - The new multi seed coating and crop protection product from Sineria innovative R&D Department.
- **Seed Plus™ 30WS** provides multiple layers of protection that include a highly systemic insecticide along with 2 fungicides: Metalaxyl and Carbendazim.
- Seed treatments are conducted in order to overcome two problems:
 - **Soil insect pests**
 - **Soil borne seedling diseases**
- **Seed Plus™ 30WS** will provide protection against diseases from crop emergence up to the second leaf stage.
- **Seed Plus™ 30WS** provides a safer environment for your seeds and higher and better yields. Diseases controlled by this product include seed born blackleg, seed born *Alternaria*, seed rot and seed blight. The fungicides also provide effective protection against early season root rot caused by pathogens such as *Rhizoctonia* and *Pythium*.

Seed Plus™ 30WS contains:

- 10% Metalaxyl
- 10% Imidacloprid
- 10% Carbedazim

Active Ingredients

Directions for use

Seed Plus™ 30WS should be applied as a slurry treatment by means of suitable seed treatment equipment.

Ensure thorough seed coating by correct calibration of the equipment.

Maintain gentle agitation during mixing and application

Crops	Target diseases/pests	Application rate
Maize	Damping off (<i>Pythium</i> spp.), Root-rot, <i>Rhizoctonia</i> spp., Fusarium, Alternaria, Seedling blight, Aphids, Whiteflies, Thrips	1 kg per 200 kg seeds
Wheat, Sorghum		1 kg per 300 kg seeds
Soybeans		1 kg per 350 kg seeds

Application notes:

Treat seeds before planting. To ensure even coverage of the seed, add water to attain at least 800-1000 ml of total slurry per 100 kg seed. Apply slurry mix to the seed and mix thoroughly.

1. Pour 20-30 ml of water into a strong plastic bag & mix with one sachet of Seed Plus™ 30WS

2. Add 1 kg of seeds to the mixture

3. Shake for 30 seconds

4. Plant

Seed Plus™ 30 WS in the field

Independent tests indicate that **Seed Plus™ 30WS** delivers effective control of a broad range of pests and diseases.
